The BA degree offers a studio arts program with 12 studio art credits in combination with supporting art history and theory coursework. BA students are required to demonstrate 200-level proficiency in a foreign language or declare and fulfill a minor area of study in addition to their major. The BFA is a more comprehensive studio-focused program that has 24 studio art credits along with additional critical thinking courses, providing BFA students with an enhanced studio portfolio and potential graduate study.

B.A. ART AND VISUAL TECHNOLOGY DEGREE TOTAL 122

Denotes a course that must be taken at George Mason University. Please see your ADVANCE Coach to enroll.

Important Academic Information:

¹Students who complete ENG 111 after Spring 2024 will earn ENGH elective for ENG 111 and ENGH 101 for ENG 112.

²When selecting co-enrollment courses, students should take care to select course(s) that are not equivalent to ART courses taken at NOVA. For instance, students should not take Painting I at both NOVA (ART 241) and through co-enrollment at Mason (AVT 232). Credit for the same course twice cannot be applied to the Mason degree.

³200-level ENG literature classes include: ENG 225, ENG 230, ENG 236, ENG 237, ENG 245, ENG 246, ENG 250, ENG 255, ENG 256, ENG 257, ENG 258, ENG 271, ENG 275, and ENG 279.

⁴For approved Foundation Electives, and Interdisciplinary Arts courses, please visit: <https://catalog.gmu.edu/colleges-schools/visual-performing-arts/art/art-visual-technology-ba/>

⁵Pathway assumes that the selection to fulfill the BA foreign language, minor, double major, or double degree requirement will require 12-18 credits. Some selections, like a double degree, will require more credits. See your advisor in your first term at Mason to develop a plan for fulfilling this requirement.

⁶Students who select a minor above 18 credits, a double major, or a double degree can replace this general elective with an upper level course required by their minor, double major, or double degree.

General Education Waiver Policy and Guidance:

- Students who complete a VCCS transfer associate degree (AS, AA, or AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories, which can be found here: <https://catalog.gmu.edu/mason-core/> . To be eligible for the waiver, the students must provide the Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
- When a course fulfills a Mason Core requirement **and** a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
- ADVANCE students must complete the associate degree indicated on their pathway (see the ADVANCE Program Milestones listed above). Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category.

Additional General Notes & Resources:

- Undergraduate students earning CVPA degrees must earn a minimum 2.00 cumulative GPA in their major. AVT majors may not choose AVT courses to meet this requirement, and they may not double-count ARTH courses toward both the AVT major and the Mason Core arts requirement. AVT majors may not double-count ARTH courses toward both AVT major requirements and the Mason Core Global Contexts requirement.
- For academic policies and procedures, please see Mason catalog - <https://catalog.gmu.edu/policies/>
- Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
