Additional General Notes & Resources:

• Students must maintain an overall 2.5 GPA and pass all Commonwealth of Virginia mandated tests for licensure area. Grades of C or higher are required in all major course work.

• Termination from the major may be imposed as a result of excessive repeating of required courses without achieving the minimum standard, and for other evidence of continued failure to make adequate progress toward completion of the major, including failure to maintain at least a 2.5 cumulative GPA and failure to exhibit professional dispositions. A grade of C or higher is required in each of the Elementary Education major courses (see Requirements section in the catalog for list of 17 required major courses). Students will not be permitted to make more than three graded attempts to achieve a C or higher in each course. Those who do not successfully complete a major course within three attempts will be terminated from the major.

• ADVANCE students who earn at least a 2.85 final, cumulative GPA and no more than 9 credits of unrepeated D/F grades may be eligible to receive a waiver for any lower-level Mason Core courses not already completed. To be eligible for the Mason Core waiver, students must also complete the requirements of the AA or AS degree listed on their pathway, and apply to graduate from NOVA by the deadline (see milestone #3). Students must provide the Office of Admissions with a final, official transcript reflecting the degree conferral date and a cumulative NOVA GPA at or above 2.85.

• For academic policies and procedures, please see Mason catalog - https://catalog.gmu.edu/policies/

• Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
