<sup>4</sup>Philosophy electives may include those from other major requirements that are not used to meet another degree requirement. If both the analytic or continental philosophy and the ethics and political philosophy requirements are met with the same course, the student will complete six elective courses.

**General Education Waiver Policy and Guidance:**

- Students who complete a VCCS transfer associate degree (AS, AA, or AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories, which can be found here: <https://catalog.gmu.edu/mason-core/>. To be eligible for the waiver, the students must provide the George Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
- When a course fulfills a Mason Core requirement **and** a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
- ADVANCE students must complete the associate degree indicated on their pathway (see the ADVANCE Program Milestones listed above). Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category.

**Additional General Notes & Resources:**

- Students pursuing this degree must complete at least 33 credits within the major, earning a minimum grade of 2.00 in each course. At least 21 credits must be at the 300 level or above, including at least 3 credits in PHIL 421 Seminar (Mason Core)/PHIL 422 Honors Seminar (Mason Core). If a course counts for the requirement in analytic or continental philosophy, and also for the ethics and political philosophy requirement, then both requirements are fulfilled with that course.
- For academic policies and procedures, please see the George Mason catalog - <https://catalog.gmu.edu/policies/>
- Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
